What is the Cardinal HCM Project?

Hi, I'm Cardinal Carl and I'd like to welcome you to The Cardinal Human Capital Management (HCM) Project. Your agency has been selected to participate in Release 2 (R2) of the Cardinal HCM implementation. We're so glad you're part of the team.

The Cardinal HCM Project is a multi-year partnership that was created to connect the Commonwealth of Virginia with a modern, integrated solution that consolidates human resources, health benefits, time and attendance, and payroll functions into one application.
