

Payroll Read Only Overview

This Job Aid provides an overview of the key Payroll and Time & Attendance pages that the Payroll Read Only role can access. It includes an overview of the page as well as a table which lists the key fields and descriptions.

The following Payroll pages are covered in this Job Aid:

- General Deductions
• Update Employee Tax Data
• Direct Deposit
• Review Paycheck
• Review FLSA Pay Data

The following Time & Attendance pages are covered in this Job Aid and are only available to Agencies that use Cardinal Absence Management:

- Review Absence Balances
• Absences
• Absence Event

Navigation Note: Please note that there may be a Notify button at the bottom of various pages utilized while completing the process within this Job Aid. This "Notify" functionality is not currently turned on to send email notifications to specific users within Cardinal.

Revision History

Revision Date	Summary of Changes
3/1/2025	Updated the screenshots of the Search pages (Section 1 , after Step 1; Section 2 , after Step 1; Section 3 , after Step 1; Section 4 , after Step 1; Section 5 , after Step 1; Section 6 , after Step 1; Section 7 , after Step 1; Section 8 , after Step 1). Added reference information to the Overview of the Cardinal HCM Search Pages Job Aid.

Viewing the General Deductions Page

General Deductions are non-benefit deductions, such as charity, garnishments, and parking. General Deductions can be both pre-tax and post-tax based on setup from the General Deductions or Garnishment tables in Cardinal. Deductions are set up at the Company (Agency) level for eligible employees.

Use this page to view General deductions that have been set up for an employee.

Step	Action
1.	Navigate to the Create General Deductions page using the following path: NavBar > Menu > Payroll for North America > Employee Pay Data USA > Deductions > Create General Deductions

The **Create General Deductions Find an Existing Value** page displays.

General Deduction and Deduction Details fields:

Field	Description
Deduction Code	Identifies the type of deduction. See the Job Aid titled PY381_General Deduction Codes for a list of the general deduction's codes.
Effective Date	The beginning date for when the deduction started.
Calculation Routine	One of two options display: <ul style="list-style-type: none">• Default to Deduction Table: the amount of the deduction based on the predefined deduction table in Cardinal.• Flat Amount: the amount of the deduction displays in the Flat/Additional Amount field.
Flat Amount	When this value is selected, a specific amount displays in the Flat/Additional Amount field.
Deduction End Date	Displays a date if the Deduction was set up to stop on a specific date. If this date is in the middle of the pay period, the deduction is not prorated and Cardinal processes the full amount.
Goal Amount	Displays an amount when the deduction was set up to stop when a specific total amount was reached.
Current Goal Balance	If a Goal Amount was set up, this field displays the total amount that has been deducted so far.

Viewing the Update Employee Tax Data page

In Cardinal, every employee must have a Federal, State, and Local (if applicable) tax record set up. Employees with multiple jobs within the same company will have one tax record for both jobs. Employees with multiple jobs across Agencies will have one tax record for each company.

Use this page to view an employee's federal, state, and local (if applicable) tax information.

Step	Action
1.	Navigate to the Update Employee Tax Data page using the following path: NavBar > Menu > Payroll for North America > Employee Pay Data USA > Tax Information > Update Employee Tax Data

The **Update Employee Tax Data Find an Existing Value** page displays.

Update Employee Tax Data

Step	Action
3.	Click the Search button. 

The **Update Employee Tax Data** page displays for the applicable employee.

The screenshot shows the 'Update Employee Tax Data' page. At the top, there are three tabs: 'Federal Tax Data' (selected), 'State Tax Data', and 'Local Tax Data'. Below the tabs, the 'Person ID' is displayed as a redacted field. The main content area is titled 'Tax Data' and includes a search icon, navigation arrows, and a 'View All' link. The data is organized into several sections:

- Company Information:**
 - Company: DLI
 - Dept of Labor and Industry
 - Effective Date: 07/10/2023
 - Updated By: Online Usr
 - Date Last Updated: 01/03/2024
- Federal Form Version:**
 - Form Version: W-4 - 2020 or Later
- Federal Withholding Elements:**
 - Special Withholding Tax Status: None
 - Tax Status: Single
 - Multiple Jobs or Spouse Works
 - Dependent Amount: \$0.00
 - Other Income: \$0.00
 - Deductions: \$0.00
 - Extra Withholding: \$0.00
- Other Sections (all collapsed):**
 - Federal Unemployment Tax
 - W-4 Processing Status
 - Lock-In Letter Details
 - State Tax Options
 - Tax Treaty/Non-Resident Data

Federal Tax Withholding Elements fields:

Field	Description
Special Withholding Tax Status	Identifies whether the employee has a Special Withholding Tax Status. Options include: <ul style="list-style-type: none">• None• Maintain Taxable Gross (Exempt from withholding)
Tax Status	<ul style="list-style-type: none">• Single• Head of Household• Married• Exempt (defaults when Maintain Taxable Gross option is selected in the Special Withholding Tax Status field)
Multiple Jobs or Spouse Works	Used to indicate if the employee has multiple jobs or if their spouse works.
Dependent Amount	Used to enter a specific dependent (dollar amount).
Other Income	Used to enter an additional income amount for the employee.
Deductions	Used to enter the total deductions amount for the employee.
Extra Withholding	Used to enter the total extra withholding amount elected by the employee.

Lock-In Letter Details section

This section is only used when the IRS has sent a Lock-In Letter for the employee. When a Lock-In Letter is received, the values noted in the letter must be entered in this section. This locks-in those limits and prevents the employee from making changes in the **Federal Withholding Elements** section based on the guidelines provided in the table below.

Lock-In Letter Details ?

Letter Received

Withholding Status	Single	Single
Withholding Rate	Higher withholding rate	
Annual Withholding Reductions	\$0.00	
Other Income	\$0.00	
Deductions	\$0.00	
Additional Amount	\$0.00	

Lock-In Letter fields:

Field	Description
Letter Received	Check this box to indicate that a Lock-In letter was received.
Withholding Status	Prevents the employee's Tax Status from being changed to a different value than what is displayed in this field.
Withholding Rate	Prevents the employee's special withholding tax status from being changed to a value different value than what is displayed in this field.
Annual Withholding Reductions	Prevents a Dependent amount from being entered that is less than the value in this field.
Other Income	Prevents another income amount from being entered that is less than the amount in this field.
Deductions	Prevents an amount from being entered that is greater than the amount in this field.
Additional Amount	Prevents an amount from being entered that is less than the amount in this field.

Local Information fields:

Field	Description
Locality	Used to select the applicable Locality.
Other Work Locality	Used to select another work locality if the employee has more than one work tax for a given locality. The entry in this field is used to link to another local work tax code.
Resident	Used to denote whether the employee is a resident of the Locality.

Local Withholding Elements section screenshot

Local Withholding Elements fields:

Field	Description
Special Withholding Tax Status	Identifies whether the employee has a Special Withholding Tax Status.
Tax Status	Used to denote whether the employee is claiming a withholding (Married). X = Claiming exemption from withholding N = Not applicable
Withholding Allowances	Denotes the number of withholding allowances the employee is claiming.
Additional Amount	Denotes an additional amount that the employee is electing to pay.
Additional Percentage	Denotes an additional percentage that the employee is electing to pay.

Viewing the Request Direct Deposit Page

Direct Deposit is a requirement at the Commonwealth of Virginia. Agency Payroll Administrators enter and update the direct deposit information on behalf of the employee. Employees must complete and submit an **Employee Direct Deposit Authorization** form to their Agency Payroll Administrator to keep on file. Employees are allowed to have up to 10 direct deposit accounts.

New Direct Deposits accounts require validation of the account information from the employee’s financial institution; this process is called Prenoting. The Prenoting process can take up to two (2) pay cycles to get established.

Step	Action
1.	Navigate to the Request Direct Deposit page using the following path: NavBar > Menu > Payroll for North America > Employee Pay Data USA > Request Direct Deposit

The **Request Direct Deposit Find an Existing Value** page displays.

Request Direct Deposit

Header and Earnings Header fields:

Field Name	Description
FLSA End Date	Displays the FLSA period end date.
Pay Period End Date	Provides the end date for the pay period that the FLSA rate was calculated.
Issue Date	Displays the date the payment was issued to the employee.
Rate	Displays the hourly rate for the employee which is based on the Compensation tab in Job Data.

Other Earnings section

Other Earnings						
Code	Description	Rate Used	Other Hours	Comp Rate Used	Earnings	Effect on FLSA
OSS	OT Strght	Hrly Rt.	8.00	30.288462	242.31	Both
OTS	OT 1.5	FLSA Rt	7.00	30.288511	318.03	Both

Other Earnings fields:

Field	Definition
Code	Displays the applicable Earnings Code(s).
Description	Displays the description of the Earnings Code(s).
Rate Used	<p>Hrly Rt. – Hourly Rate from Job Data (Compensation tab).</p> <p>FLSA Rt. – This is the calculated overtime rate. This rate is used for overtime earnings when there are payments within the same FLSA period that impact the FLSA rate calculations such as differentials, bonus, non-productive time, etc.</p>
Other Hours	Displays the hours associated with the Earnings Code.
Comp Rate Used	Displays the rate used for the hours in the Other Hours field.
Earnings	<p>Earnings that display are equal to the Other Hours multiplied by the rate indicated in the Rate Used and/or Comp Rate Used fields.</p> <p>For this Scenario (screenshot above):</p> <p>OSS is $30.288462 \times 8 \text{ hours} = 242.31$</p> <p>OTS is $30.288511 \times 1.5 \times 7 \text{ hours} = 318.03$</p>
Effect on FLSA	<p>There are four options that display regarding the impact the FLSA Rate Calculation for the Earnings Code that displays in the Code field. They are:</p> <ul style="list-style-type: none"> • Both – amounts and hours are used • Amounts only – amounts only are used • Hours only – hours only are used • None – no impact

Additional Information section

Note: This section only displays values for Semimonthly employees.

When a pay period has less or more hours based on the FLSA calculation, the following displays:

Type	FLSA Hours	Rate	FLSA Earnings	Days in Period	Work Day Hours	Pay Period Earnings
Weekly Wage Equivalent			192.30			

Additional Information section fields:

Field	Definition
Type	Will always display "Weekly Wage Equivalent".
FLSA Earnings	<p>This field displays the weekly wage equivalent amount. This is derived by using the following formula:</p> $\text{FLSA Earnings} = \frac{\text{semimonthly pay} \times \text{daily hours (8)} \times \text{number of days in FLSA Period}}{\text{standard hours (86.666)}}$ <p><i>Example 1:</i> Semimonthly Reg Pay = 2083.33 FLSA Period 10/16 – 10/22 = 5 days</p> $\frac{2083.33 \times 8 \times 5}{86.666} = 961.54$ <p><i>Example 2:</i> Semimonthly Reg Pay = 2083.33 FLSA Period 10/23 – 10/24 = 1 day</p> $\frac{2083.33 \times 8 \times 1}{86.666} = 192.30$

Viewing the Review Absence Balances Page

The **Review Absence Balances** page displays the employee's absence balances as of the most recently closed pay period. Absences are closed on the pay date. These balances do not reflect accruals earned, hours taken, or any retroactive changes processed in the current leave period. This page does not display the balances for Comp or Overtime leave. Those balances display on the employee's Timesheet and are not accessible to users with the Read Only role. See an Agency Absence Management Administrator or Time & Labor Administrator for questions regarding those balances.

Step	Action
1.	Navigate to the Review Absence Balances page using the following path: NavBar > Menu > Global Payroll & Absence Management > Payee Data > Maintain Absences > Review Absence Balances

The **Review Absence Balances Find an Existing Value** page displays.
