Icons, Links, and System Features

Tip	Description
Timeouts	<p>Cardinal times out or terminates any session that is inactive for 30 minutes. If you are timed out, you will lose any work that has not been saved.</p> <p>Two minutes before a timeout occurs, the user will receive a warning message indicating that your session is about to time out.</p>
 Look Up icon	<p>Provides the user with a dropdown list of items associated with the field or parameter to be entered.</p>
% or Wildcard	<p>A wildcard is a symbol that is used to stand for one or more characters in a value. Wildcards can be used to help the user search when the user does not know all of the characters in a field value. Cardinal uses the % (percent) symbol as a wildcard.</p> <div data-bbox="477 890 1252 1491" style="border: 1px solid black; padding: 5px;"> <p>Maximum number of rows to return (up to 300): <input type="text" value="300"/></p> <p>Business Unit: = <input type="text" value="15100"/> </p> <p>Voucher ID: begins with <input type="text"/></p> <p>Invoice Number: begins with <input type="text"/></p> <p>Invoice Date: = <input type="text"/> </p> <p>Short Vendor Name: begins with <input type="text"/></p> <p>Vendor ID: begins with <input type="text" value="00000000%8"/> </p> <p>Name 1: begins with <input type="text"/></p> <p>Voucher Style: = <input type="text"/> <input type="text"/></p> <p>Related Voucher: begins with <input type="text"/></p> <p>Entry Status: = <input type="text"/> <input type="text"/></p> <p>Voucher Source: = <input type="text"/> <input type="text"/></p> <p><input type="checkbox"/> Case Sensitive</p> <p><input type="button" value="Search"/> <input type="button" value="Clear"/> Basic Search  Save Search Criteria</p> </div>

Tip	Description
<p>Advanced Search Operators</p>	<p>When performing an advanced search, users can use a variety of operators to narrow your search – by a particular first letter, by values that are less than or greater than a specified amount, and so on. The following operators are available for Advanced Search:</p> <ul style="list-style-type: none"> • Begins With • Contains • = • Not= • < • <= • > • >= • Between • In
 <p>Home button</p>	<p>Clicking the Home button returns the user to the Cardinal Home page.</p>
 <p>Add to Favorites link</p>	<p>Click the Add to Favorites link to add a direct link for the pages used most frequently to the user's Favorites list. Users can name the favorite with their preference using the Description field.</p>
 <p>Sign Out link</p>	<p>Click the Sign out link to log out of Cardinal. Do not use the Close (X) icon in the top right corner of the browser window to close Cardinal.</p>

Customize View in Cardinal

Tip	Description
	Click the  icon to sort menu columns alphabetically. Click the button again to return to the original order.
 View All link	Click the View All link to display all rows of data on the page. When clicked, the link changes to view the original number of rows, allowing the users to return to their original view.
	Click the  Show All Columns icon to see all grid columns on a single tab.
	Click the  Show Tabs button to return to the tabbed view of a grid.

Tip	Description
	<p>The Customize link allows users to customize the columns that are displayed within a grid. For example, ChartFields that are not used by the agency can be hidden on a ChartField grid.</p>  <ol style="list-style-type: none"> 1. Navigate to the grid and click the Customize link.  <ol style="list-style-type: none"> 2. The Personalize Column and Sort Order page is displayed. 3. Click the up and down arrows in the Column Order section to adjust the order the fields display in the grid. 4. Select a field in the Column Order section and click the right arrow to add the field to the Sort Order. 5. Click the up and down arrows in the Sort Order section to adjust how the fields are sorted on the grid. 6. Select a field in the Column Order section and click the Hidden checkbox to hide the value in the grid. 7. Click the Preview button to view how the grid will be displayed. 8. Click the OK button to return to the customized grid.
