ESS Reviewing Absence and Leave Balances

ESS Reviewing Absence and Leave Balances

This Job Aid provides Employee Self-Service (ESS) users information on how to review Absence and Leave Balances. It starts with the overview of the **Comprehensive Absence Summary** page and then a review of the **Leave Balances** page and the **Absence Balances** page for more detailed information. If you need additional information related to your leave and absence balances, please see your supervisor, an Absence Management Administrator, or a Time & Labor Administrator.

Reminder: In Cardinal, the terms “Absence” and “Leave” are not synonymous. The following guidelines apply:

- **Leave Types:** The term “Leave” in Cardinal refers specifically to Compensatory and Overtime Leave only.
- **Absence Types:** The term “Absence” in Cardinal refers to Absence Types such as Vacation, VSDP Sick Leave, etc.

Note: Balances for Absence Types do not include unprocessed hours such as hours in a “Saved” status or unapproved absence hours in a “Needs Approval” status.

Review Leave Year End Guidelines

This section of the Job Aid should be referenced to finalize the period ending January 9 and calculate the annual carryover/forfeiture and new year entitlements effective January 10 each leave year. Absences can still be reported for both the old and new leave years, up to 90 days in the past or future. Forecasting accounts for saved Absence Events as well as those Absence Events that have been submitted and approved.

Balances in Cardinal will be carried forward, forfeited, and entitled for the new leave year based on DHRM policy.

- Classified employees follow DHRM Policy and have a leave year from January 10 to January 9.
- Gubernatorial Appointees follow the Executive Leave Plan which runs from January 15 to January 14. See the [Executive Leave Policy](#) for more information.
