Regular Deposit Inquiry

REVISED: 9/1/2026

DESCRIPTION:

This inquiry is used to view all Deposits which are not complete in AR (i.e., have not been posted).

NAVIGATION PATH:

NavBar > Menu > Account Receivable > Payments > Online Payments > Regular Deposit

INPUT / SEARCH CRITERIA:

Deposit Unit
Deposit ID
User ID
Assigned Operator ID

OUTPUT FORMAT:

Online

ADDITIONAL INFORMATION:

The user must have the Funds Receipt Processor or Funds Receipt Manager role to view the **Regular Deposit** inquiry pages. Deposits should be marked "Complete" and either budget checked online or the Deposits will be budget checked during the nightly batch process. If the Deposits should not be posted in Cardinal, they should be deleted prior to being marked "Complete" and budget checked.

Deposits Not Approved Query (V_AR_DEPOSITS_NOT_APPROVED)

REVISED: 9/1/2026

DESCRIPTION:

This query displays Deposits which have not been attached to a Deposit Certificate (DC) as well as Deposit Certificates that have not been approved.

NAVIGATION PATHS:

- Query Viewer > V_AR_DEPOSITS_NOT_APPROVED
- AR WorkCenter > Queries > AR Queries > Deposits Not Approved
- AR WorkCenter > Links > Other Links > Query Viewer > V_AR_DEPOSITS_NOT_APPROVED

ADDITIONAL INFORMATION:

If a Deposit that has not been attached to a DC is displayed in the results, it will need to be linked to a DC and approved. If a Deposit is displayed in the results and has been attached to a DC, this indicates that the DC is waiting to be approved. The Deposit will need to be approved in order to be sent to GL via a batch process. If a DC was entered in error and will not have a Deposit attached, no further action is needed since it cannot be deleted.

Aging Detail by Unit Report (AR30003)

REVISED: 9/1/2026

DESCRIPTION:

This report provides open balances for every item. Balances may be reported in entry or base currency. When the currency amount type is *base currency*, a rate type may be provided. When a rate type is provided, the applicable rates from the rate table are applied to the entry amounts on the open items, giving run-time generated base amounts. If no rate type is provided, the base item amounts are reported.

AR Supplemental Info Report (VARR0738)

REVISED: 9/1/2026

DESCRIPTION:

VDOT Accounts Receivable section annually prepares an attachment to the Department of Accounts (DOA) detailing the ending accounts receivable balances at a particular time period. The annual attachment also determines whether that balance is a short or long term receivables. The report will consolidate the Item balances from the ITEM_DST & ITEM_ACTIVITY table to select the items which have open balances at a particular time period. Also, it will pull the accounting information along with the payment details such as payment, write-offs, Credit, Debit, Refund amounts for specific period of time on Acctg From & To dates. The accounting information will be pulled from PC/BI tables.

To export the report to Excel, the user will choose CSV format from the process scheduler when the report is run.
